Re: Thanks For a Job Well Done!

Dear Elizabeth:

I have been meaning to write to let you know how pleased we here at Edwards & Angell are with your services in handling our art purchases and installation from start to finish.

Your personal touch, patience and professionalism in getting this process done in such a speedy and efficient manner was most impressive and of course, appreciated. From start to finish, you and your team handled the art project masterfully. With a committee as diverse in their knowledge and level of sophistication as ours, one might have considered your mission to be an impossible chore. Instead you melded those ideas into an artistic result that exceeded our wildest collective imaginations and has pleased everyone I know.

Elizabeth, we thank you for all your help. We definitely wish you all possible success as you continue to help firms like ours with their art purchases and installations. You are a true professional and we've valued your expertise as well as your friendship. We look forward to working with you again soon.

Sincerely,

Brian A. Blanche
Business Manager
